# INTRODUCTION

Dear Parents, Just a quick note that you play an extremely important role in the performance season too!

It's courageous to take the stage and perform in front of hundreds of people. The parent's role is to applaud that courage, no matter the outcome of the performance.

Parents should avoid comparing their child's performance to another child's performance, giving direct criticism about their execution of dance steps, or commenting negatively on their performance quality.

*Let us be the "Bad Guy". You are the Cheerleader!*

## IMPORTANT INFO

- Dancers receive 2 tickets for Gala and May Recital. Additional tickets can be purchased on our website
- Dancers are not allowed to eat in the dressing rooms- food is only allowed in the BT cafeteria
- Dancers can find hair and makeup tutorials on our YouTube channel (Atlanta Dance Central). All hair should be styled in the ART hairstyle unless otherwise specified on your costume checklist
- Dancers can leave their costumes, shoes, etc. at BT between the shows, but should tidy their areas and hang all costumes before they leave.
- We recommend each dancer have a bin to throw costumes into during quick changes to make changes during the show easier
- During the dress rehearsals on 4/14, 4/15, & 4/16, dancers may leave after their last dance has performed.
