How to read this schedule

First, use your child's company level to determine the bulk of their weekly schedule. Add in any rehearsals for their tap and ballet level. If your dancer has been selected as a soloist in the ballet or a performer/understudy for an ART Select piece they will also be expected to attend the rehearsals for that part. Feel free to print this page and fill out the schedule for your student. Sprint schedules are in the newsletter and via the ADC library tab on the website.

Our faculty is aware of all schedule overlaps and will facilitate any necessary student transitions between rehearsals.
