

SUMMER PROGRAM GUIDE

WELCOME TO ADC

ATLANTA DANCE CENTRAL OPENED IN
ROSWELL, GA ON OCTOBER 1, 2009.

SINCE THEN, ADC FACULTY MEMBERS HAVE
SHARED THEIR PASSION FOR DANCE BY
EMBRACING EACH STUDENT AS AN INDIVIDUAL.

WE EDUCATE WHOLE-HEARTEDLY SO THAT OUR
DANCERS ARE EMPOWERED TO BECOME THE BEST
VERSION OF THEMSELVES.

OUR MISSION

At Atlanta Dance Central, we accept and care for each student individually. Students are nurtured and provided with a safe and welcoming space to learn. They are challenged to overcome difficulties, inspired to grow as people and dancers, and achieve new levels of excellence. They discover who they are and build the confidence to love themselves. With this wisdom, they experience the freedom to become their best self and pursue the life they want.

OUR VALUES

Mentoring is our heart. Child First. Dancer Second.

We approach every student as an individual & guide them on their own path. We recognize each child's unique strengths & encourage growth on an individual level. We maintain a welcoming & safe space in our classrooms for students to explore who they are.

Be Bold. Go All In.

We open our hearts to our students, strive to be authentic, & ask for help when needed. We boldly take risks & consistently innovate to make our curriculum & community stronger. We are brave leaders of our industry.

Collaboration increases our impact.

We approach the education of every child as a team & develop solutions together. We value each other's unique strengths, communicate respectfully, collaborate creatively, & help each other when we can.
