Not sure if your child is in ART Company? ART is an audition-only intensive dance group for ages 5+. All ART students received an acceptance email on June 1st and were specifically notified of their placement. They received a handbook and signed a contract with their parents committing to the additional responsibilities. If you did not do this, your child is in our Core/Introductory Program. Students not in ART do not need to worry about ART rehearsals and events.

ART Auditions Frequently Asked Questions

What is my dancer auditioning for?

These auditions are for the 2024/2025 dance season that runs from September through May. The ADC teaching staff evaluate the dancers on their ballet, jazz, tap, and contemporary (age 8+) technique. Faculty also watch the student's energy when performing and take into account their overall behavior in class. We use these auditions to determine if a dancer is ready to join ART Company and level them appropriately. Dancers receive a company level (mini, junior, artisan, etc) and a numerical level for ballet and tap (Ballet 1, Tap 2, etc).

What should my dancer wear?

Dancers should arrive in ballet dress code: a leotard (any color), tights, skirt, and ballet shoes, with their hair in a bun. They should also bring all of their current dance shoes. You can purchase any necessary items in the ADC lobby or on our online shop, <https://atlanta-dance-central.square.site/>

What is the workshop for?

The workshop allows our older dancers to learn their combinations for the audition. Dancers 13 and older perform jazz, tap, ballet and contemporary as solos. Once they learn the choreography at the workshop, students have a few weeks to practice at home. This gives us a better picture of our dancer's strengths.

Dancers in the age group 13+ will receive recorded material and guidelines on April 29th. They should arrive at their individual audition on time and be ready to perform. A calendly link will be sent for a 10 minute individual audition time slot. Ages 5-12 have NO recorded material/individual audition.

When will we get our results?

Our faculty releases the ART list on June 1 at 5 pm. You'll receive an email with your dancer's results and have a week to confirm whether they want to participate.

What else is involved?

To make sure you have all the information ahead of time, we compile an ART handbook (released April 15). In it, you can find the class schedules, commitments, and the season calendar. By registering for the audition, you indicate that you've read the handbook and agree to follow it. It's a lot of information, so please reach out with any questions!
